Includes helpful tips about the lien law in Michigan and throughout the United States, as well as money saving discounts on our services.

For nearly 20 years, the Michigan Construction Protection Agency (MCPA) has been one of the largest and well-respected construction notice and lien filing services in the United States of America. **VOTED #1 by the Building Trade Contractors.**

The MCPA is a full processing service that handles the complete process for researching, preparing, recording and serving the necessary and required documents to protect your company's notice, lien and bond rights, and provide notice of commencements – which ultimately helps protects your money

Many of our members who use our services to protect their job sites: IBEW, CAM, PHCC, AGC, ABA, BIA, ABC, ACCA, NAHB just to mention a few.

MCPA / liennow.com will NEVER sell or trade your personal or company information. This means no company will ever contact you on our behalf.

We do not enjoy receiving spam, and assume you do not either, so it is our corporate policy never to reveal your email address to any third party.

This invitation is being sent by the MCPA / LienNow and not on behalf of any association listed herein.
